I was so glad to have known Roz these past two years. No matter how she felt, she was so giving of herself, and tried to keep a positive attitude for herself and others. I enjoyed all the conversations we shared, and how she always made me smile. I will truly miss her, and am so glad we were able to touch each other's lives.##imported-begin##Laura Preston##imported-end##

Though it has been a lot of years since I last saw her, I remember that she was a very loving mother and grandmother as well as great person. Hopefully she will find my mother in heaven and share stories of how their children have grown up to become adults in spite of the things we did as children. My deepest sympathy to all you guys, I know what you are going through, just remember that you are not going it alone.##imported-begin##Tom Polhemus##imported-end##

I worked as a VP at Bixby in the late 1980's and was responsible for a number of departments including Housekeeping. Roz enjoyed what she did and was a real joy to work with. She was also well-liked by her staff. She spoke often of her family and was clearly proud of you all. My sympathies to all of you in your loss.##imported-begin##Randy Kelley##imported-end##
