“ We remember your Mom and Dad also through the connection of Open Door Bible Church. They were such a nice couple and a fine example to us as new Christians years ago. I can just picture them in Heaven, together now with the Lord they loved. Earths loss is Heavens gain, so true here. will be holding your family up in prayer.

“ To all the Fankhauser clan: I want to say that I am so sorry for your loss of this wonderful lady. I will always remember her constant smile and positive attitude and the way she cared about me as an individual. She used to send me letters when I was away at college, even though I wasn't a family member--that was how she was, showing God's love to all that she met. :) May God comfort you as you grieve.
