“ We met Duke and Carol at Leisure Acres. Lots of great memories with them in the Michigan group. We had good times when we gathered at their farm for our summer reunions.

“ Carol's family: I am so sorry for your loss. Carol was such a very talented artist, she will be missed very much at Leisure Acres, Florida. It was a privilege knowing her. I enjoyed quilting and scrapbooking with her while in Sebring. May she rest in peace.

“ Carol was my cooperating teacher in the 80s. She was an amazing individual who taught me how to teach! When I think of Carol, I will always remember her laugh and special ways of making people feel good about themselves. She was such a talented artist and so creative with her teaching methods. She had a great sense of humor and was a very hard worker. I will miss her immensely! May her memories bring comfort to her family at this difficult time.

“ To all the family,  
I was glad to be able to reacquaint myself to her over the last couple of years, through my job. As i last spoke with her a month or so ago and told her that she was my favorite teacher for bookkeeping class at Deerfield, she made me what i am today. She made me feel special, so icould excell in the class. Hands on, told her i still kept the material of that class as a remembrance. She will be dearly missed.
