“ Lenore, Martha, & Daniel,

So sorry & shocked to learn of Gerald's passing away. I know I haven't talked to him in many years, but I would see him going to & from work in his big Ford truck. He probably didn't notice me, but I kind of looked for him near his path to work, & looked when I went by the parking lot to see if his truck was there. Sorry we lost touch since you moved to the lake. I always loved to talk with Gerry (as I called him) in his quiet low voice that was always kind & his great smile that would make you comfortable. I heard the news from a mutual friend that does business with us & am still in shock. We will be praying for you all in the days ahead.

With sympathy,
Jamie & Dawn Pearson
