Jack was a very special person to us and all our family, for his genuine love and concern, his total involvement in living his life, his friendliness, happiness and dedication to his family and friends. “ Char, Jeff and Ric: So sorry for your loss. There are no words to best describe how awesome of a person Jack was. He always took the time to talk with me at Adrian State Bank. He was a great servant leader and did so many wonderful things for people quietly. I really admired him for three things:

1. His love and commitment to family. He always spoke of his family and how important family should be for everyone.
2. He treated everyone equally. He was always willing to stop and chat and showed great interest in the person and what they were saying. He was a true gentleman and had a kind, giving heart.
3. His love of U of M - no matter what sport!

I will miss seeing him at Country Market on Saturday's, eating his doughnut and drinking his coffee, always engaged with someone in a conversation. He has been a great role model for all of us. I will continue to keep your family in my prayers.

God bless, Joe Williams

“ We were certainly blessed that when Stephanie became part of the Patterson family, we were able to meet Grandpa Jack and Grandma Char. We loved them immediately. They both call Stephanie, "Steffi", which only my grandmother had done. Grandpa Jack was the kind of man all mothers aspire their sons to become: hard-working, kind, generous with his time and dedicated to his family. I enjoyed every conversation that I ever had with him and will miss him tremendously. Prayers for the family.

“ I worked for Mr. Patterson for a short time in the late 1990's at Cutler Dickerson. Later I got to know him through his work for the Britton Deerfield Educational Foundation while my children attended the school and then through my work with The Advance newspaper. The BD community lost a real champion! My sympathies to the family.

“ Jack was a master of time. He always had time to stop and talk with his friends. He always had time for his family. He always had time for his business. He always had time to check up on you if you were ill. He always had time to keep his home and possessions in immaculate condition. He always had time for his beloved Michigan games. He always had time for community service. We will miss Jack very much, and Char and his family are in our prayers. Jane & Harry Keller
