October 29, 1938 - September 14, 2018

HUDSON – Jack L. Quigley, age 79 of Hudson, passed away peacefully Friday, September 14, 2018 at University of Michigan Hospital.

Jack proudly served his country in the United States Navy from 1960-1965 aboard the USS Shangri-La in the Mediterranean and the Caribbean.

He married Choyce Ann Strayer on August 16, 1969 and was blessed with 49 years with the “love of his life”. Their marriage was filled with love, compatibility and a strong faith.

Jack’s career with the Adrian Police Department spanned over 32 years and included him coaching the Jr. Adrian Police Department Explorers shooting team to first place in the national pistol competition at Camp Perry. For many years he served as a trustee of Medina Township. He also served on the Region II Planning Commission and was a member of MTA.

After Jack and Choyce retired from their careers in Adrian, they opened a Log Home Bed and Breakfast on the family farm near Hudson. They enjoyed welcoming guests from all over the world. Jack was a faithful member of the Morenci Church of the Nazarene. It was very important to him to share with others about his faith in Christ. He was a good friend to many and will be missed. “ A great role model for me in my early Christian life! I remember his spiritual sharing at a church we visited my senior year in high school. He asked the congregation if 43 to 20 meant anything to anyone? It was the football score of Adrian High vs. Monroe High from the Friday night before. It was a huge game for me and he made me feel so important. He was such a generous, kind person. He's walking with Jesus! A celebration of a wonderful life!

“ Grandpa and I are practical joker's. My first practical joke that I can, and have always remembered is from when I was really young. It was at the old house in Adrian. Grandpa was sitting in the chair to the right of the fireplace. I even remember that he had his white T-shirt on and his uniform pants. He was eating chocolate chip mint ice cream. I asked him if I can have a bite. He looked at me with the straightest of faces and asked if I was sure. He said to me, do you know what's in this? You see those little brown pieces? Do you know what those are? He told me that they were caca! Straight faced as could be. That the chocolate chips were caca! For my entire childhood and into adulthood, chocolate chip mint ice cream was my favorite ice cream. And Grandpa is the first one that I can remember from way back then that got me with that practical joke! I love you grandpa! So very much!

“ Jack and his family attended the church I went to when he was young. My Dad, Robt. Milner, was the pastor. Mary baked our wedding cake. Leon was a stalwart member. I happened to see about Jack as I was viewing my sister-in-law Phyllis Watters. Love to the family.

“ Choyce and family, It is with great sadness to hear of Lt Quigley's passing. I have many memories of the past and always enjoyed seeing him. I remember Lt Quigley being one of the members of the Adrian PD that welcomed me when I began my career there. For that he will always have a special place in my heart. I also remember him teaching me to shoot a pistol and for that am forever grateful. His quality instruction allowed me to participate with the APD pistol team and then go on to teach firearms for 24 years at the Washtenaw Police Academy. I am so sorry that Randy and I will not be able to attend the visitation or the funeral. We are going to be out of town with prior commitments both Tuesday and Wednesday. I will keep you all in my thoughts and prayers. I will miss him. God Bless, Jane Kelley

“ Where does one even begin? So many wonderful memories from my dad being the first father in Lenawee County to get full custody of his children, to camping and making cherry and apple pies over the fire, to playing "police" with him, to singing along with him as he played the guitar, to watching him love my mom to the moon and back, to watching him love on my kids and make memories with them, to him making tacos for the youth group, to him pulling pranks and telling jokes and reading the Christmas story. And so many before, during and after all of those. I can't believe he's gone but his memory will live on in the lives of many and beyond. His life will be talked about by people that didn't even know him. I love you, daddy!

Cathy - September 16, 2018 at 05:49 PM

“ as I read your beautiful comments Cathy I remembered how your dad, my 2nd dad, used to try to "lick my eyeballs" and as I look at his photo on the screen while I'm typing this I can hear his voice and picture him coming after me = great memories!

“ I always saw “Quig” as a special guy. I remember his walking out of a church very early with Dave Emerson. Those two got together for prayer on a weekly basis. They would be leaving just as my prayer partner and I were arriving. The day we laid my husband, Jim Click, to rest, Quig came up to me and said, “I’m so proud of you. I’m so very proud of you.” I will never forget the spiritual spice he added to my life.
