“ My oldest brother Larry may God Bless you. I remember your first job you bought a TV set for the family, our first and we were so excited. All of us gathered around that little TV and watched Ed Sullivan. We didn't have much then but we had enough. Rest in peace.

“ We are very sorry for your loss. Your family is in our thoughts during this very difficult time. My memory of Larry will always be with him wearing that University of Kentucky sweatshirt. He was a true Wildcat fan and you could see the excitement in his eyes and voice when talking UoK basketball. Of course Kristie (and I assume Keith) inherited the same love for the team. He enjoyed a beer from time to time as he told me the story of his favorite beer from Cincinnati that is no longer made (Hudy Delight Beer and Hudepohl 14-K Beer). He was personable and easy to talk with. I hope the family can take comfort knowing Larry is resting in peace.
