“ In July 2016 I have a very sweet visit with Lois in her kitchen. I was looking for information regarding the house that had been built by my great grandfather, Philo Lossing. The Schmidt's told me that I had to talk with Lois. Her parents, the Willnitz's, had bought the farm from Philo Lossing. I also was able to take a picture of her family sitting outside of the farm. She said that she taught school at the schoolhouse that had been on the corner. I wish my visit with her could have been longer. I am so sorry for your loss. Barbara (Lossing) Noch

“ I have always had good memories of your mom. Every time, I would see her she remembered me. Your sister, Marsha, and I were best of friends in high school and at Ferris. I always admired your mom for her strength in adverse times. She was a strong lady. Condolences to your family.

“ Mrs. Gautz was always so good to me growing up. I remember the time they took me along on vacation at the lake or the time sledding and many other occasions.. I have so many good memories when Pam had me spend the night. Hearing Mrs. Gautz laugh. Always having a smile. Over the years I would see her doing things to help others. Mrs. Gautz was a Blessing to all that knew her. Your family is in our thoughts and prayers during this difficult time. Bob and Ellen Gust

“ I work at Charlotte Stephenson Manor and Lois was my favorite resident! She had a fun sense of humor and if you wanted honesty, she definitely gave it to you! I worked in activities and would do crafts with her. I'd ask her how something looked and she'd say "well I don't like it!" I would laugh and say "Oh Lois!! I simply adored this woman. She would say the kindest things to me and it would make my whole day! I will miss her tremendously!!! I love you Lois! God is lucky to have you now!!
