

Merlin Charles Myers

January 24, 1937 - August 8, 2019

Merlin Charles Myers left his earthly home on Aug 8, 2019, to join his Savior in Heaven, and to avoid the next election. Merlin had a plan for everything, as he wrote and rewrote much of his own obituary.

Merlin was born on Jan 24, 1937, on the family farm to Harold and Alma (Jasper) Myers. He was baptized at St. John's Lutheran Church. His faith was most important to him, and he strived to live in the light of our Lord and succeeded. Merlin met the love of his life in the fall of 1955, at the roller skating rink in Adrian and it was love at first sight. They shared 61 wonderful years together before her passing in 2016. Together, their family was able to build a pretty impressive life having come from simple beginnings. They had two beautiful children Kirk, and Denise, and took in many foster children. Working at Sand Creek Schools for over 60 years and JC Penny for 40 years, shows the level of dedication he gave to a job. Sand Creek Schools was his pride and joy. GO AGGIES!

He found happiness in his work, and teaching his grandchildren all about nature, love and the mechanics of the world. Merlin would always mow his lawn all the way down to his granddaughter's and do her lawn too. This would lead to making new trails for her horses, bringing snacks for the animals and pruning the trees. Merlin not only took care of his property and farm; but he demonstrated the same devotion to his granddaughter's farm where she lives today. Merlin never hesitated to help others in need. Many people in the community can share a story about Merlin coming to their rescue or how he made them laugh hysterically. His grandchildren will miss his guidance and love that he shared with them. He was everyone's special person, including his nieces, nephews and much of his extended family. When his body was fading and his mind was weak, Merlin would say "I love you, and please tell everyone how much I love them." A special thank you to his favorite nurses who helped him remain at home. Merlin was a magician, a one of a kind person and this earth won't be the same without him.

Merlin is survived by his granddaughters Tara Salazar and Tana Bailey; and his trusty pit bull Keno. He was preceded in his death by his parents, beloved wife, Shirley; children, Denise and Kirk; and his brother Harold.

Cremation has taken place at Merlin's request. Memorial services will be held on Saturday, August 24, 2019, at 12 p.m. at St. John's Lutheran Church with Pastor Joel

Sarrault officiating. Following the service there will be a gathering at Sand Creek schools from 2 to 4 p.m. where food and memories of Merlin's life will be shared. In lieu of flowers, memorial contributions may be made to animal rescue charities of the donor's choice. Online condolences and memories may be shared at www.WagleyFuneralHomes.com.

“ During my senior year - 1966 - I worked as a janitor at the high school with Merlin as my boss. What a neat guy, a true community person with a love of Sand Creek Schools that has no equal. I am so fortunate to have known this man and saddened by his departure!

“ Merlin was a trusted friend and colleague in our School Transportation Supervisor group that encompasses Lenawee, Hillsdale, and Jackson Counties (Region 13 of the Michigan Association of Pupil Transportation). His extensive knowledge of transportation and his ability and willingness to share his knowledge was a hallmark of his participation in our group discussions. We have also been aware of his significant contributions to the Sand Creek School District, and to the Sand Creek community, which has made it our honor to be associated with him. Rest well Friend.

“ Very sorry to hear of Merlin's passing. He was a real Sand Creek institution. I remember when he took the job at the school only a few months after graduating. I was a little kid when he was a big kid, but the place was so small that we knew everybody. When he came back to school, the kids shouted "Merlin's back! Merlin's back!" And back he was for more than 60 years.

“ In the last few years that we've been blessed to know Merlin.. He always made us feel like part of his family. Smiling that smile and giving kind words. The love and dedication to his family was truly an inspiration. Once he found out I could bake and cook...we had an even closer connection. He loved his snickerdoodle cookies and berries with fresh cream. So grateful to have had Grandpa in our life and share the joy he had while on the farm. You will truly be missed. Love you so much.

“ When I think of Merlin, I have a vivid memory of being afraid on the first day of school, seeing the bus doors open and that big, happy smile. My mom told me that Merlin would be my bus driver and that everything would be fine. And it was! Our family moved to the UP in 1968 after my 8th grade year and I finished high school there, but Merlin remained a family favorite and a huge part of my Sand Creek memories. What a wonderful legacy he had given us all and especially his grandchildren.
