“ My sympathies to Ruth's entire family. Ruth and I were classmates at AHS class of 1958. She was a serious student, displayed a brilliant mind but had that charming quality of valuing a wide range of people and experiences in her life. A very giving person.

“ I worked with Ruth at a Nurse Call Center at St Joseph Mercy Hospital in Ann Arbor back in the early 2000's. She was always ready to answer questions and help a new person on the job. She had a very kind heart. Her health had failed her in recent years, but I was able to visit with her in mid November 2016, a little after her birthday. Other friends and myself had a lovely visit with her that day -- I know we ate a LOT of ice cream, and had a lot of smiles. I am so grateful for that visit, and for the opportunity to know Ruth!
