“ *Always interested in what was happening, I remember many phone calls with Aggie that started with her asking about the kids before asking “what’s newsy”. Without exception, she’d continue the conversation with a “needless to say” followed by a story of the happenings in and around Blissfield, a community to which she was greatly loyal. She loved her family, friends, and community, and it showed. Aggie was quick to offer help to those she knew and those she didn’t. My heart hurts for your loss Bob, Daryl, and Sonya.

“ To Bob and Aggie's Family,  
So many great memories growing up with Aggie. Staying at the farm, picking tomatoes from the field, a sleigh breaking down in the middle of the road, her Mom's wonderful meals - memories that will never be forgotten. She never met a stranger and I was always in awe of the way she could just start talking to people like she already knew them. Though through the years we only talked from time-to-time it was always an enjoyable conversation.  
She will be greatly missed. Rest in heavenly peace Cousin.

May your hearts be filled with warm thoughts and treasured moments.
