“ *Al always had a story, but he also wanted to hear your story. We all here at Solesbee's consider him a partner and friend and he will be missed greatly. He was a hard working man. It was like he always wanted to sell a piece of equipment, not to make a living, but to help someone out. Rest easy now buddy!*

“ *Albert Hoag was so sweet, kind, and remarkably brilliant. Donna was always his sweetheart but he'd give a smile and a wink to all the girls - which just made us love him even more. He was such a happy bright light in our family. He was the best of us and will be sorely missed.*
