

Alexandra Nicole Steele

June 26, 1992 - May 7, 2025

ADRIAN- Alexandra Nicole Steele, beloved daughter, sister, aunt, and friend, passed away on Wednesday, May 7, 2025, at the age of 32.

Born on June 26, 1992, in Atlanta, Georgia, Alexandra was the cherished daughter of Harry “Dusty” Steele III and Karyn (Flowers) Steele. After graduating from Adrian High School in 2010, she pursued her passion for helping others by earning both a bachelor’s and a master’s degree in social work from the University of Michigan. As a dedicated social worker, Alexandra focused on supporting children and young adults, leaving a lasting impact on countless lives.

Alexandra had a gift for connecting with people, offering kindness and understanding to everyone she met. Her love for animals, especially cats, was a true reflection of her compassionate spirit. She embraced life with a joyful spirit, always up for singing and dancing. Her artistic talent was undeniable, and she was known for creating beautiful and expressive works of art.

Above all else, Alexandra loved her family fiercely and unconditionally. Her greatest joy was being surrounded by those she loved, and she never missed an opportunity to share stories and memories about her sisters, parents, family and cherished friends. She spoke of them with pride and love to anyone who would listen, always eager to celebrate the people who meant the most to her. Alexandra’s warmth and unwavering devotion will be deeply missed by all who had the privilege of knowing her.

She is survived by her father, Dusty (Lisa) Steele; her sisters, Ahri Steele,

Sydney (Alex) Mawer, and Drake Lambright; and her beloved nephew and niece, Oliver and Vaeda. Alexandra was preceded in death by her mother, Karyn Hayno-Steele.

Private services will be held for Alexandra. In lieu of flowers, those wishing to honor her memory may make a donation to the Lenawee Humane Society, a cause close to her heart.

“ *I've just learned about Ali's passing, and am so saddened to hear. I had the fortune to work with her during her MSW training, and connect occasionally in recent years. She cared deeply for others, which can be a blessing and a struggle in this field. Wishing her peace, surrounded by music, art, kitties and light.*

“ You told me to get up and dance with you. I replied “i don’t dance”. I watched you dance and you seemed so free, even tho u constantly felt like you were in a cage. I danced too because i wanted to experience that kind of freedom. I haven’t stopped dancing (in private) since. Thank you for finally helping me to feel free again or maybe for the 1st time. 💕

“ Alex,

You were my first best friend at Adrian. There are so many fun memories that come flashing back when I think about our friendship. Summer camp at Incredible Journey, swimming in your pool as soon as it got warm enough, the trip we took to Nashville with your dad and Lisa, sitting on your couch with Alicyn eating Jimmy Johns, just so many times we laughed and were being kids.

I hadn't seen you in so long, but if I could have told you anything in recent years, it would be that you were and are so loved.

“ *We always felt like no one understood us (Teenager stuff). But we
understood each other. In a world where we didn't fit in, felt weird
(and kinda were lol) we made sense to each other. I will always be
grateful to you for that time and for our friendship.*

*You had the most insightful, deep, and beautiful mind. You will be
missed.*

Love you, Alex. 💜
