“ *My mother, Evelyn Koning, called tonight June 21, 2018 saying she had sent Alice Jean a birthday and wondered why it had been returned with forwarding expired. I will be showing her this wonderful page and the photos to her when I see her next month. She has no way to see them in her assisted living place. She and Alice Jean were practically sisters; their parents living together during depression years in Florida, and some parts of a couple years with Aunt Lily and Uncle Clyde Porter. I remember visiting with her and Gene at their Devil's Lake home, and one time visiting when Alice Jean was painting a beautiful tropical mural scene on the living room wall. Alice Jean had a special place in Mom's heart; the "sister" she never had (they were cousins). Their fathers were brothers. I remember spending one summer with my maternal grandma, Olive DeMeritt and Alice Jean's mother, Connie DeMeritt. We traveled all over Michigan and parts of Canada on a rock hunting trip; I loved Aunt Connie! I'll add condolences here for Danny. We didn't know each other very well, but you were athletic and handsome; I was jealous! You got your energy and love of athletics from your mom. The good looks came from both sides of your family. June 21, 2018.*

“ My condolences to the DeVine family. I met Alice at the "Y" many years ago and of course, liked her immediately. So energetic teaching her classes and so kind and personal to each of us. Often wondered how she was and where she was. What a great woman.

“ I'm so thankful to have had Alice as a friend and mentor. What a vibrant spirit! Passionate about life and those she loved. Competitive to the core. I will cherish with fondness the summer I lived with Alice and Gene in Adrian, and all the wonderful family memories shared in Adrian, Hale, Ionia, Holland, and at Devil's Lake. I love you, Alice! So glad you are now enjoying a constraint-free body in heaven with your glorious Savior. Praise Jesus for his ultimate healing.

My condolences to the family. Praying for you.
