“ My friend Alice how I regret letting the time pass always thinking I will call you tomorrow. I love you

*Her laughter has ceased
yet it's etched in your mind
Her voice is silent
another her you will not find
She stays forever in your life
forever kept,loved in your heart
She'll stand by your side
and she will never part
all you have to do is think
she still loves you so dear
Heaven is not so far away
She'll always be near
In the wind you will hear her
She'll whisper to you and say
I love you
I am here with you every day*

Martina I am so sorry for your loss. Your mom was a very special person. I will NEVER forget her.##imported-begin##Stacey McTaggart##imported-end##

“ Martina,
My heart goes out to you and your family in the sad loss of such a wonderful woman as your mom was. It's been a little over a year that I lost my mom and it still hurts me to know I'll never see her again. I don't want to make you any more sad than you already are by saying that but it will take a long time to heal such a deep loss. I'll keep you in my prayers.
Love,
