“*Mrs. Patterson was the kindest, most empathetic teacher a first grader could have. The way she knew just what I needed when I was a student in her classroom has inspired the way I approach my own students today. My condolences to her family.*”

“ *I have so many happy memories of AliLou! She and Dunc--the whole Paterson family were so close to us, at church, at the YCamp, on Sword highway for so many family gatherings. After Dad passed away, AliLou was a great comfort and friend to Mother. Her smile and laughter, her graciousness and intelligence, will stay with me in my memory. Condolences to her family and comfort in her long, rich life.*

“ I will fondly remember my time I spent teaching at Lincoln School with AliLou. She was a wonderful teacher and every child who was fortunate enough to be in her classroom received not only a fantastic education but a firm sense of right and wrong. AliLou would not tolerate bullying or being "mean" to other students long before we were talking about these types of behaviors. AliLou was a leader among the staff and a respected colleague.

We are very grateful that our children were able to experience second grade in her class. Their education and future was certainly positively influenced by Mrs. Paterson and her loving and caring classroom environment.

Every person who ever meet AliLou will remember her beautiful smile and thoughtful conversation. The world is a better place because of her. She will be missed but not forgotten.

“ My most sincere condolences to Mrs. Paterson’s family. She was my home room teacher for 2nd grade at Lincoln. She was patient and always made learning fun. I had given her a snail tape dispenser one Christmas and she had it on her desk for as long as I was in elementary school. In fact, I believe she still had it when I visited while in middle or high school. Please know what a wonderful influence she was to me. I will never forget her and always think fondly of her. God bless.

“ Ron and I are so sorry to see the news about AliLou. She was a wonderful teacher and made sure that she taught the 'whole child'. Both of our children were blessed to have her as their teacher at Lincoln and she made a profound difference in their lives. To the entire Paterson family, thank you for sharing her with the hundreds of children she touched. They are all better for the experience. As parents, we are forever grateful.
