“*Amy was such a special person and a wonderful cousin. She was so thoughtful, kind, and caring. When we were young, she and her brother, Jim, always made an extra effort to talk to us “little kids” and include us at family gatherings, just like their parents Dick & Lillis did. As we got older, our 11 year age gap faded away and a real friendship was formed. Amy was so loving and gracious and never missed an opportunity to tell you how much you meant to her. My parents, Bob & Jan Hoffmeyer, absolutely adored her. Amy was the hostess with the mostest! Amy and Don hosted the best family gatherings at their home on Wamplers Lake, and she always went over and beyond to prepare a delicious spread of food for us. And she was the easiest person to buy cards and gifts for because anything dog-related reminded you of Amy. She was the best dog mom that I’ve ever met. Jade and Tyler (and the many beloved dogs before them) were the luckiest dogs in the world!! We are so thankful for her love and friendship and we will cherish our memories of her.*

Don & Jim, we are holding you close in prayer as you grieve this profound loss.

“ I broke my leg in Kindergarten while sledding down the hill next to Amy’s house. I remember Amy baked me a cake from her EZ Bake Oven before Dr Gilmartin made my cast. Amy and her entire family were great family friends and I was fortunate to see her and Jim last year. She will be missed, but welcomed home by her loving parents and brother.

“ I met Amy when I worked as a phlebotomist at Bixby. We verified a patient by asking their date of birth. She and I shared the same exact birthdate, and were both born at Bixby so we were nursery mates and had known each other at birth! I have thought of her often, May she rest in peace. Many condolences and prayers to her family

“ I was a classmate of Amy's and knew the Gilmartin family through our parents as children. Amy taught me how to play tennis, the best instructor ever! One summer in late high school we shared each other's souls, and I've never forgotten hers. May she rest in peace, and may her memory be a blessing to Don and Jim.

“ Please accept my deepest condolences, Don and James; Amy was taken from you far too soon.

My parents, Amanda and Albert Misseldine, were good friends with Dr. and Mrs. Gilmartin, and would get together for dinners and to read Shakespeare plays; an activity my father and I enjoyed in his last years.

And sometimes the 7 children in the Misseldine family and the 3 children in the Gilmartin family, and the four parents, would get together for dinners and playing around. I'm grateful for those memories.

Holding Amy close to my heart. ❤️
