“ *Even though we never got the privilege to meet Andrew, while he visited GR and our grand-daughter, we know in our hearts he was a fine, loving young man and will be missed. Knowing he loved flowers and plants shows what kind of person he was inside and out. Our deepest sympathy for the family.*

“ I am so sorry for your loss of Andrew. I went to school with him at Adrian, have known him for a long time in my life. He was so smart and did exceptionally well in school. Every single teacher loved him, especially in English. He truly was an angel on Earth, always had a kind word to say to others, very respectful and just so smart! I still remember many poems that he shared in the front of class, and even though we were around different friends most of the time I always knew he was going to be a great man, and do something amazing to make a difference in the world. He is missed and this saddens me greatly! I pray for his family and friends.

Sincerely,
