“ I always enjoyed hearing from Grandma Johnson and getting together with her to share a meal and great conversation. She would reminisce and tell me about her days working at the Cab Company and she was very proud of her achievement in obtaining her diploma. Although, I was a neighbor, she made me feel like part of her family. I will always have a special place in my heart for her and the friendship we shared. My deepest condolences to her loving family.

“ I enjoyed the many times she would invite me to join her for a meal and we'd spend time sharing stories. She enjoyed telling me stories of when she worked at the Cab Company . I know one of her proudest moments was when she obtained her diploma - she was very proud of that achievement! Although, I was a neighbor, she made me feel like part of her family. I love you and will miss you greatly. You will always have a special place in my heart. My thoughts and prayers are with the Johnson family.

*Love,

“ I was so lucky to have Annetta as my real sister. Others might point out I was the adopted one, not her. I was her real sister. She was always there when i needed a shoulder to cry on, a helping hand or someone to laugh with. I will so miss her, but know she is with those she has missed so much!

“ My precious grandmother!! You will forver be in my heart!! You were such an inspiration to us all!! Truly one of my best friends!! I will never forget the summers I spent with you, from going shopping at the Adrian mall to just hanging out at the house watching Days of Our Lives! We could ALWAYS count on you for a piece of gum. You would pull out your red Tupperware gum case and then give us several options to choose from..Doublemint, Checkermint, Spearmint, Big Red, etc.. It makes my heart smile just thinking about it!
Rest high on that mountain top!! I know grandpa was waiting with open arms at Heaven's gate for you with Uncle Chuck by his side. I love you forever!! Rest easy!
