

Archer Leigh Handy

February 23, 1952 - February 11, 2026

CLAYTON- Archer Leigh Handy, age 73, of Clayton, Michigan passed away unexpectedly at his home on Wednesday, February 11, 2026.

Archer was born on February 23, 1952, in Tecumseh, Michigan, one of three children to Clare E. and Arlene M. (Hunt) Handy. He graduated from Onsted High School in 1970 and received his teaching degrees from Eastern Michigan University and Siena Heights University.

On May 12, 1972, Archer married Nancy J. Pickford in Adrian, MI and they celebrated over 53 of the most beautiful years together.

Archie started his teaching career in the Onsted School system before moving on to Adrian Public Schools. He taught at both Michener and Alexander Elementary, retiring in 2013 after 30 years of teaching. His warm personality made him a great educator, and he always enjoyed running into former students when out in the community. Archie liked being active and adventurous, enjoying biking, kayaking and gardening, as well as running with friends. Archie and Nancy loved to travel, exploring many of our national parks and the beauty of our world. They are members of St. Michael and All Angels Episcopal Church, where he preached beautiful sermons as part of their ministry support team. He lived his life as Jesus commanded, loving God and all his neighbors. He volunteered his time with Salvation Army, receiving their volunteer of the year award. Archie's family was his love and joy. He was very proud of the title "Papa" and loved attending his grandchildren's sporting and school events whenever he could. He was known to be ready with a joke or

some trivial knowledge to entertain his family and friends.

In addition to his wife, Nancy, Archie is survived by his children, Michael (Amanda Hobson) Handy, Bethany (Andrew) Bartos and Rachel (Brandon) Kintner; grandchildren, Drew, Cullen and Makenna Bartos, Archer, Sawyer and Porter Handy; sister, Sylvia Stoner; father-in-law, Kenneth (Kaye) Pickford; in laws, Steven (Cheryl) Pickford, Kathleen (Gordon) Bousman, Kendra Barrett, Lisle (Janice) Pickford, Mary Jo (Brian) Kuney and Ken Sebenick; special puppy, Reba Leigh; grandpups, Flynn, Coty and Bella Rose; and a wonderful extended family including numerous nieces, nephews, and cousins. He was preceded in death by his parents; sister, Diane Sebenick; mother-in-law, Joyce Pickord; and brothers-in-law, Kevin Barrett, Sr., Dale Stoner and Darwin Sexton.

A memorial service will be held on Thursday, February 19, 2026, at 1 PM at St. Michael and All Angels Episcopal Church in Cambridge Junction Twp., with the Rev. Diana Walworth officiating. Following the service, there will be a gathering celebrating Archie's life at the Gauci Golf Resort from 3 to 6 p.m. Memorial contributions may be made to the Lenawee County Salvation Army or St. Michael and All Angels Episcopal Church, Cambridge Junction.

“ Each knows "Archer" in their own way. I've known him since Jr. High when he went by the aliases of "Groucho" and "the big Arch".

We were beer drinkin' buddies in high school -and them the best kind of buddies- but that came to an end when he married Nancy. Not that our high school relationship revolved solely around alcohol, not at all. Arch was studious and did his homework-and I copied it. Anyway, the years go by and folks mellow. We worked our "together times" down to a drink or two over a game of Euchre or Trivial Pursuit. Some times it was Sunday afternoon with Arch and Nancy stopping by after church or if it was a Friday or Saturday night they were out the door by 9! Whatever the time was, it was well scheduled in advance as Arch and Nancy have a full schedule going to all their grandchildren's sport games.

Anyway, this is a little about some of the Arch I know, but it is a shallow part. The deep part is him and Nancy are good people. They care about everyone. And these are he kind of people I want to be around. They made me a better person- if that's possible.

My condolences to Nancy and the kids for their great loss.

“ *Nancy and Family,
My heartfelt condolences to you all.*

I am stunned and in utter disbelief at Archie's passing!

My good friend Archie ran a support group for men with prostate cancer and I was fortunate to meet Archie in the spring of 2006 and join it.

Because of his leadership, I and many others learned various treatments that have kept us cancer free and learned many different treatments for various side effects. I am grateful for his outstanding leadership and in his debt!
