“ Upon telling my grandson of Ashley’s passing, he replied that he was sorry to hear this. Then he reminded me of a memory that made me smile-when Ashley was young and my grandson even younger, he told me about us going to her room to see her guinea pig and how we all thought it was so cool and cute. How Ashley was so gentle and loving towards it. I remember us three laughing about the squeaky noises it made. Ashley grew into a kind, gentle, loving Daughter, Mother, Sister and Friend. She will surely be missed.
