“ Dear Goble family - My thoughts and prayers are with you. I was so saddened to learn of Barb's passing, and that I was unable to attend the service. She was such a kind soul, absolute wonderful person, and a true servant. I hope you know how much your family has meant to ours over the years, so we will be keeping you all in our hearts as you navigate this new chapter without her physical presence. She will be missed tremendously, and I will always treasure our friendship over the years as we played Bunco together. Praying for God's comfort for all of you. Much love, Karen Perez (and the Perez family)

“ Dear Mike, Rachel, Jonathan, Ryan and all the family,

I am so sorry for your loss.

I don't remember whether it was at the lake or at Milan, but I do remember when Mike officially introduced Barb to the Blissfield Gobles. It was clear she was "the one" for him. We all thought she was wonderful all those years ago, and for all the years that followed. Her light shines on through you.

May the memory of her life well-lived always be a blessing, and may God's love surround you and give you rest, strength, and the peace that passes understanding.

“ She's in a better place now she was a good para pro for me and I believe that she is with God so she doesn't have to be in pain or suffer anymore or go through what she was dealing with He has taken care of her and now she can live at peace and be with Him. I will miss her but knowing that she is with God and is now living in His presence is beautiful. She did a lot of good things for me when I was younger helping me get through challenges in school and I know that she was a kindhearted person. She will be dearly missed and cherished in our hearts.
