“ *Our deepest sympathy to Herb and the family. We became part of the IPRC neighborhood at Round Lake 8 years ago. We always enjoyed seeing Herb ride his bike around the neighborhood and Barb would always stop and visit when we were sitting on our porch. She always had a smile on her face and was involved in every event and played a large part in the warmth of our community. She was such a sweet lady and we feel fortunate to have know her for the past 8 summers. It will not be the same in Island Park without her. Our thoughts and prayers are with you all during this difficult time.*
