“ *I worked for Mrs. Klump for several years at the library while I was in high school. She taught me a great deal about the library including the importance of shelf-reading. I did a lot of shelf-reading while working at the library and to this day when I go into Schultz Holmes, if I notice a book or magazine out-of-place I return it to its proper shelf. She did so much for the library over the years. She will indeed be missed.*

“ *I was sorry to hear of your loss. Mrs. Klump was my fifth grade teacher in Britton. She was my favorite elementary teacher. I have thought of her often as years went by. May God comfort you all at this time and give peace to all.*
