“ You were one of my first friends when I came to Wacker Silicones in 1991. I fondly remember you talking about your family on our breaks every day. I felt like I knew your brothers & sisters even though I never met them. We lost contact until I went to work at Masco in 2007 & was surprised to find you worked there too! I am grateful we were able to keep in contact on Facebook all these years. Now you're reunited with your folks & Ryan. Rest easy Barb knowing you were a great mom & 'Bama and you made a difference in people's lives.
