“ *We were neighbors of Betty for more than 40 years. She and I shared a love of gardening. We were happiest when she could show me all her flowers and we discussed the pros and cons of each one. My, she loved her family too. Those grand kids were the highlights of her life. Finally Betty was a gifted seamstress. She made the cutest little girls dresses for the missions in Africa. She could put the sweetest trim on a plain color and dress it up superbly. The neighborhood will never be the same. God bless you and keep you Betty. Mary Speelman*

I met Betty in 2010 when I bought my house right across the street from her she welcomed us to the neighborhood and we had our talks now and then. Betty did love her flowers and her flowers were beautiful and they stayed bloomed way into the fall. Betty new I also loved my flowers and I am so thankful to her because she dug up alot of her flowers that needed thinned out and she had given me alot of hers. So I am very grateful that I will have a bit of what she loved in my flower bed. Betty was a very kind lady all the time to me my family and everyone around.
