“ *Please know that my thoughts and prayers are with you all. Betty was a big part of my childhood, as were the whole Irish/Sneed, family. Betty being Earlene's sister, our families were intertwined, as one, it seemed. We lived right across the street from Jess and Earlene. We shared alot of laughs and good times. I regretfully, won't be able to attend the service, as I start a new job, that day. Please accept my condolences and know that I am with you all in thought. Even though her body may be gone and her soul now in heaven, her memories can never be taken away, will never die. So, share the good memories and keep them forever present. Even though the times were tough at the end, remember her and smile, rather remember and be sad. She will be smiling down at you and only wanting you to be happy. May she REST IN PEACE.
Sincerely,
Darlene Nieman Morris*
