“ Grandma was the best grandma anyone could ever have. She was always thinking of others and always so appreciative of everything. We will miss her deeply and hope that she has reunited with Grandpa and they are finally back together to spend eternity. I will always hold dear to my heart all the memories as a child growing up I was able to share with Grandma. I remember sitting on her front porch while she rocked in her rocking chair and watched out the windows. I also remember sitting in Grandma's rocking chair and carving my age into her chair arm every year! But she never got mad. I have so many memories with Grandma and Grandpa that I'll never forget! She got to meet my son, her great, great grandson Hayden Micheal for the first time about a month ago, she smiled and waved at him and he smiled back and she would say "Hes a cutie!" That was a great day. I am thankful I was with her right to the end. I had went to see her the night before and I talked to her, she couldn't respond back but she looked me in the eyes so I knew she knew I was there. I promised her that night I would be back the next day. And the next day I came back and I told her Grandma I am here, I told you I would be back, I love you. Shortly after that she took her last breath. Grandma I love you and we will miss you deeply. You were the best Grandma.##imported-begin##Jen##imported-end##
