“ *Bev always make me feel special and like anything was possible if I chose to do it. We were the bookends to the Morse grandchildren, the oldest and the youngest. She was close to my parents age but always had time to talk. A friend taught with Bev for several years and would comment on how similar we were and I continue the cherish that as the highest complement given to me. My sincere sympathies are with you all. “ Bev was our oldest cousin from our very large Morse family (grandpa and grandma Morse had 11 children). In the summer all the grandchildren would go to the Morse farm and stay for a few days. We all had so much fun. We had wonderful reunions every summer and holidays were always at the farm. when I would see Bev we would always talk about trying to to another family reunion. RIP Bev and give grandpa and grandma a hug and kiss from me.. Judy Froehlich

Aunt Bev was such a special person. So kind & generous. She had such an impact on me as a young child. I always looked up to her. We loved going to her house to explore because she always had such a fun place for us kids. Lots of good memories at Grandma Grandpa Morses with all the extended family. Always looked forward to seeing her. God got a beautiful angel . RIP Aunt Bev.
