“ *Prayers for the family of Bonnie Murphy. I will never forget the care, kindness and love Bonnie extended to my stepson who has been a long-time resident of the AFC home that Bonnie owned. I enjoyed many conversations with Bonnie and she will remain in my memory as a person who was not afraid of any challenge and as a woman who chose to live life on her terms. R.I.P. Bonnie!*

“ *My condolences to the entire family. Heaven may have gained a very special angel however Bonnie's family and this world has definitely lost one of the strongest and most special women, friends and mothers I have ever met. I know God brings his angels home to end their pain and suffering though, especially when their work here is over. I pray for peace and healing for everyone who loved Bonnie. I will keep you all in my thoughts as you go through this very delicate and painful time. I pray that you find peace throughout your grieving process and know that she truly was an angel and the amazing impact she had on so many lives will continue to live on for many many more years to come. Bonnie will forever be very well loved and missed by many 🥹💕*
