“ So sad to hear of Bonnie's passing. Our family just loved her, she took care of our mom in her last years of life. Bonnie was so caring and compassionate, our mom just loved her. Heaven has gained another angel, I know that mom was glad to welcome her home.

We knew each other for 61 years, sharing many relatives and many great memories.The world will miss you, Bonnie. It is up to the rest of us to try to fill in the big gap your leaving too soon has left. Your parents are glad to see you again, I know. Rest in peace.

“ Words cannot express the loss I am feeling today .

*My friend Bonnie loved the Lord with all her heart, and always had a scripture for whatever she was going through. She was always standing on the word of God, and that is what I remember most about her.*

*Bonnie was there when my girls were born, and there for all the events in their life and mine.*

*She was always there when I needed a special friend to share the ups and downs with in life.*

*One of the things I always loved to hear was the love she had for her family. She thanked the Lord for John, and how God answered her prayers and sent Stephanie into his life. Then once again how God answered her prayers and sent Joy into Jeff's life. She cherished every minute she spent with her grandchildren. She told me over and over how much she loved the times they spent together.*

*Bonnie was always such a giving person to everyone.*

*Just last week I took her a piece of meat loaf and some veggies.*

*Later she called to thank me, and said she shared the meatloaf with 2 of her friends.*

*One little piece, and she didn't keep it all for herself. That's the kind of person I will always remember.*

*Oh how I will miss my friend!*

*Nothing money can buy is as valuable as dear friends.*

As I read these special notes about my first cousin ,many fond memories of our youth come to mind. I will always remember rock island where we played as children. I remember that old house in Clayton where Uncle Johnie always had pigs and a nice garden. I remember when us Kids were outside playing and my mom and Edna May were inside praying, boy were they getting thru to heaven. As a lay here in tears and thinking of all those bygone days I know you touched many lives. Just a few months ago Bonnie wrote me a personal note on fb and said "Danny I'm so proud of you" . I am proud of you too Bonnie.
