“ *Brandan has always been my best friend. He’s been there for me since we were just little kids. He taught me so much in life and I’m so grateful for that. I couldn’t have made it this far without him. I can’t imagine going the rest of my life without coming to Michigan to visit and hanging out with him. Walking up to his door and getting his puppies all hyped and then look at Brandan shaking his head because they’re knocking things over and not listening to him. Going out getting some dinner and hangout for some drinks and laughs. Most of the time it ended up with us walking all the way back to his place. God Brandan I’m gonna miss you. You’ve left your mark on all of us and we’ll never be able to forget you. I love you brother/cousin/friend and I will see you again one day and we’ll get those drinks again.*

“ I am shocked & sadden as I scrolled thru fb & saw Brandon & obituary in the same sentence! His Mom's love was unmeasurable & I know her heart will be forever broken. Brandon was a kind, polite, hard-working man, and was the cutest ring-bearer at my wedding! I will never forget looking into his big eyes saying you can do this! He overcame his fears then & many days since. I send my prayers to his entire family & praying God holds Charon & MJ ESPECIALLY close. Peace Brandon. 🙏💙🙏
