“ To the entire family I send to you the biggest hug and heart felt appology for your loss. I remember Brian and I being best buddies (until 3rd grade when we moved). I have had thoughts threw out life of Brian. Of me going back to Adrian and wondering if he will still remember me now that we are all grown up. Coming to your house waiting outside to see if he would still want to be my friend. Funny how things cross your mind.

I will never forget the great times we had playing in the sand box, swimming in the pool and swinging on the swing set and him bending down on one knee kissnig my hand, then Sheri gong telling mom what just happened. Momories that will never be forgotten. :)

If any of you are ever near Hillman,Michigan please look me up. Its a small town so just ask anyone and they will tell ya where we live.

My prayers will include all of you in your time of sorrow.

Love, Sandra (Paquin) Samp

To the entire family, I am so sorry for the loss of Brian, I am so very sorry that I can't make it to the Visitation or the funeral but you are in my thoughts and prayers. I grew up with your family just living a few doors down, even though I can't be there, you will be on my mind.
