“ Peggy, Garnet, Rob, Megan and Michael: words can not express how sorry I am for your loss. Brion was a caring, kind and smart young man who loved his family. I hadn't seen him in a few years, but the thought of his sense of humor and infectious laugh still make me smile. I will always hold dear the memories I have of him from junior and senior high days and the great friend he was to so many, including Mark. My condolences go out to you, his sons, and all who knew and loved him.

“ It breaks my heart to write about my memories of such a good person, son and dad. I worked with Brion at the Washtenaw Ann Arbor Office for several years and I got to know how much his family mean't to him and how proud he was of Jude. At that time he just had the one son but would talk about Jude's experiences in daycare. I remember the time he said he dressed as Santa Claus and went to Jude's school and how much fun he had--you could tell that his son was everything to him-- and how much joy it gave him. To the family, friends and especially to his children Jude and Nicholas remember how much he loved you all.

Sorry for Your Loss!

“ *Peggy and Garnet,
We were so saddened to hear about Brion. Brings back so many memories of family gatherings, football games, 4th of July with all the kids. Remember when he put the boat on the beach behind our house as they were out on the lake. I always remember running into him at the grocery with Jude and how he just talked so much about him and was so proud. Those are the great things we remember and our hearts go out to all of you. Please give all the kids a hug and there is a special one for you. We'll be thinking of all of you, him and his boys tomorrow night. I know he loved them so and you loved him.*

“ Brion and I had years and years of memories, we celebrated life to the fullest and was the best friend anyone could ask for. He has and will always hold a special place in all of our hearts. Lastly, Brion loved his family so very much. I witnessed first hand the love he has for his parents and siblings as we spent a lot of time together. You are a very special family. I know that Brion would want us all to celebrate his life and would tell us to stay positive in this very difficult time. I am honored to call Brion a friend and he will be eternally missed. I love you Bro.
