“ Our sympathy is extended to the Beaubien family. We were married
in 1970 and moved into an apartment just down the street from
Cal's station. Judy was a new teacher at Deerfield and I was driving
every day to Spring Arbor to finish my degree. I had a car with a bad
battery. One cold winter day I walked down to the station to ask for
a jump and this wasn't the first time. Cal came down, jumped the
car and wouldn't take any pay. We never forgot the kindnesses that
he showed us, a young couple with little money. He has always
been a very special person to us. Rev. Robert & Judy
