“ Ernie, Don't know if you remember me, I was Carol's supervisor at Hydro Aluminum from 1997 to 2005. What a lady! Always full of spirit and life. I know first hand she had a demanding job, but she never seemed to have a bad day. I know that during those years, she was such an important part of the company. Everybody knew her and loved her. We all appreciated her hard work and took lessons from her on how to live our lives better. I remember telling myself one day that I need to be more like her and not let the demands of life wear me down...make the decision to be happy. That lesson stays with me today and I am a better person for knowing her. I could go on for pages about Carol. What an amazing lady....but I know you already know that. I will remember Carol and you in my prayers and thoughts.

“ *Richard,
Mine and my family's deepest sympathy for the loss of your mother. I remember all the time as we grew up as kids and into adulthood, your mother was a very special person. She always had an upbeat attitude and enjoyed and lived life to the fullest. I always loved your mom's way of saying what was on her mind and standing for what she believed in. We will all deeply miss her. God Bless*
