Rod and I wanted to come visit you at the funeral home but we were not available yesterday. Please know your entire family will be in our hearts and prayers the next few days and weeks. This is a very difficult time in your life, but always remember Chuck's smile and his fun.

Rod worked with him at Olivers years ago along side Chuck's dad. Rod's dad, Gene Stange also worked for many years at Olivers with Bob. Rod loved to tell stories of their fun days while working. Please share this with Chuck's mom and let her know she will be thought of so very much during this hard time.

I'm so sorry. I've been thinking of you constantly since Sunday. I have no words to explain precisely how sorry I am for your loss. Your father and husband was a wonderful man. I too remember hearing him sing songs everytime I saw him and often thought, does he really listen to that kind of music! Along with others I have very fond memories of Chuck. I remember saying to him and your mom, "How do I raise Aiden (my son) to become a wonderful member of our society like you have done with Michelle and Daniel". “ I have many fond memories of Chuck from Little League all the way through our Adrian High School days. We grew up playing on a lot of the same ball teams together and even dated some of the same girls in high school.

Chuck had a winning smile and was a friend to many. He was a great guy and will be sorely missed by his dear family and by lots of friends he has made over the years. “ Dear Shelia and the entire Schwartz family,

I will miss Chuck more than I can express. He was a great guy. He always had a smile on his face and really had a great personality. Chuck was a good friend and I will always keep the memories of him alive in my heart and mind. I know his family was everything to him. Chuck made everyone around him smile. He had that famous Schwartz smile! I know that Chuck will be looking down on his children forever as their protective angel. Shelia, Danny & Michelle, you are in my prayers and I hope you realize how much Chuck loved all of you. You were everything to him.##imported-begin##Dan Malley##imported-end##

“ Dear Dan, Michelle & Mrs. Schwartz. I was so sorry to hear of your tragic loss. Although I have have only known you since starting school at LCS in January, I was fortunate enough to know your Dad and admire his constant smile, good sense of humor, and dedication & proudness at attending all of your sporting events, Dan. I always thought how lucky you are to have such a great Dad! My thoughts & prayers are with all of you during this very sad & difficult time. Hold close the great memories you have of your Dad/Husband. With much love.##imported-begin##Erin Sovoda##imported-end##

“ I am so sorry for your loss. Your family will be in my prayers. The coming days will be difficult, but as you know, God IS there.

Chuck has always been one of those people that, even though we were not close friends, he was always one that I thought of often. It was nice to get a glimpse into his world through Facebook in the recent months. Losing a major part of your world so suddenly takes quite some time to move forward. As friends told me at the time of my husbands, death "Be patience with yourself."

I know that you are surrounded by love and watched over by the best.
