“ *Our prayers are with all of you in the loss of your father and grandfather. Some of my Mother's (Annette Sears DeRousie) fondest memories growing up were of Bud and her staying out at Grandma and Grandpa's farm in the summers. I think Bud was the brother that she never had. Sorry we won't be with you on Saturday, as we will be out of state. George and Christine Richmond*

“ *We are sorry to learn of Bud's death. I remember what a great friend he was to his good friends on Airport Rd., Fred, Albert and Mary Green. In his High School days he stayed in their home to look after "Uncle Fred" while Mary and Albert went out of town. Mary loved having him help in the garden. Mary loved your family as her own. She loved it when your Grandma Sears brought you to visit her. Bud had a very giving heart and used his special gifts wisely.*

We pray your special memories of great times together as a family will bring you comfort in the coming months.
