February 13, 1959 - December 1, 2025

“ *So many great memories with Char & her family. Always made me feel like part of her family and got to remember the hilarious things we would do. It was always a good time when Char was around. She was a beautiful soul both inside & out. She will be truly missed. Gone, but not forgotten. RIP my beautiful friend.*

“ *Mama Char adopted me as one of her own. Gave me my cat baby Thor. She made the best stuffing! I enjoyed her company. I'll miss her. She gave me one of Rosey's dresses that I took to my neighbor. Mary made dog dresses/coats to sell online. One she made from the dress was featured in the movie Beverly Hills Chihuahua 3: Viva la Fiesta! Mama Char got the certificate for it and was tickled pink.*

“ Grandma Cheri as I knew her. We shared 10 years of camping, horse shows, going to the beach for a picnic, Thanksgiving meals, Christmas family gatherings and babysitting her grandbabies. Cheri always treated everyone like her family and I will forever be grateful for her love and affections.

Charlotte was our neighbor. She would call and say she was going away and pretty soon she and Bill would pull out with her camper which loved doing. Rest in peace Charlotte!
