“ *David and Jim,*

I have fond memories of your mother. I remeber that she had some interesting cooking ideas - mayonaise cake, which was actually rather good. I know my mother (Helen Cain Clements) loved her and worried about her. I do hope you all are good.

Thinking of you.

“ *Dear Jim and Dave, My Mom was Helen Cain Clements so you know I have some vivid memories of your Mom. I remember when my Grandmother Clara Cain lived with Christine and she took such great care of her. My Mom would go over there all the time and take us kids with her. I remember eating cream of tomato soup and grilled cheese sandwiches at the table in that tiny little kitchen. She was always so sweet and cheerful. I have often wondered about her. My Uncle John now lives just a few houses down and across the street on Monroe there in Blissfield. I think of her every time I drive by. Please accept my condolences and may God be with you as you grieve. Sue Clements Weaver.*
