“ *Prayers for comfort and peace for Aunt Claudia's family. She was an amazing, Christian woman who taught me how to be an adoptive mother. Thank you, Aunt Claudy! I will be forever grateful, and so will Mariel. Love transcends generations.*

“ Smiling when she was hurting, laughing when she was crying. She was always loving the world around her, making people smile and laugh. She was a wonderful Sister to my Mother, and a beautiful Aunt to me. I will miss her dreadfully. I miss her Christmas decorations, the beautiful ways she would decorate her trees. I will miss her encouraging phone calls, when things got rough for me with my Mom. I have so many memories of her growing up, it's so hard to choose what to say here, to pay a tribute to her. To honor her. She was a good woman. I loved her.
