“ *Dear Robin,*

I am so saddened to hear of your mom's passing. She was such a dear lady and such a patient lady, in spite of her ailments. I have such pleasant memories of her, And of you. You were a wonderful student and friend as well. My sympathies are with you and your family. I am so sorry I will not be able to see you. My husband had a major heart attack one year ago and we go to therapy M,W, and F every week. That's the only thing keeping him going, that plus a very strict diet, and a whole lot of medicine. God Bless you and keep you through this difficult time.
