“ As children, we all played with Connie, Rick, Ron and Peggy on the Leffingwell farm and at Bird Lake, at Mom Keefer's. We were all a bit older, felt protective and loved her sense of humor. Connie was a delight and had the ability to make everyone laugh, as her mom, Be As her hty, and dad, Ron did. We all remember having fun and laughing a lot. Connie wrote recently, delighted that her dad, Mary and Rick had come for a visit for her birthday. She bragged about her sons and granddaughter Julie. We talked about times long ago and Connie said that Mick Leffingwell was her rock. Connie was one of our four cousins and we are thinking about her family and pray for peace. “ Russ and Randy--Your mom was one very special person, and she went too soon and did not deserve the pain that she had to go through. I always thought of Connie as my second mom, she took care of me when I was just a baby, and your dad's name was my first words. She was so full of life, and loved everyone and loved everything about life. I miss her so much, and I miss talking to her, I miss her smile and laugh. She had great spirits, and didn't let this cancer let her down, but I'm sure in her private moments it did. I am also sure she made a deal with God to have her own porch and swing in Heaven, so she can look down on all of us.  
Erica--I know how much Connie meant to you. She was a mother to you, and you was extremely close to her. You saw things and shared things with her that no one else did. I am sure that she is in your heart and is watching over you as well as her boys. She loved you as her own, and your daughter was loved so much by her, she treated her as her own grand baby.  
I know she loved her grand baby Julie so much. And she didn't like the idea of not being able to see her grow up, but she will from Heaven.  
I believe that Connie will watch over everyone that she loved and will guide us in life. I believe that she will be a guardian angel on this Earth.  
I love you Connie! And I miss you so much!###imported-begin##Julie (McKinney) Hlavka###imported-end##

“ We are thinking of Connie early life on our farm. She loved to come visit Uncle Russ and Aunt Mildred. She named her son after my Dad, Russell. We are currently in Arizona for the winter and will not be able to attend services.
