“ *Dear Fisher Family,
My thoughts and prayers are with you. Curt's friendship during our year's together at Lincoln School through AHS will always hold a special place in my heart. Thinking back on our childhood summers, playing in Samm's and Grandma Fisher's backyard until dark, and over on Budlong with Curt, cousins and neighborhood friends feels like it was just yesterday. I will always remember his smile, the great moments together, and the many bus rides we shared to our away sporting events. You will be missed my friend.*

“ There are so many memories of Curt everywhere I look....the walls he painted in my house, the shelves he hung in my kitchen, the pruners that are still laying on the table that he painted when he helped me with some yard work only 3 weeks ago. He called me the day before his death and said "Let's take Lady to Wildwood today". How I wish I would have gone. He loved my dog, Lady, as much as I do and he was always so good to her. So gentle, loving and protective. He lost his beloved Sophie only a few weeks ago and he was so heartbroken. His favorite memory of Sophie and Lady was taking them to the creek by my house and he spoke of it often. Life will be hard without him by my side, always there with a kind word when I was feeling down. I could always count on him to help me when I needed him. I'll miss his early morning phone calls on my drive to work, telling me to have a good day and to call him after work. I'll always remember his love of sports, nature, animals, the water, and his family. I can still see him with a smile on his face and a baseball cap on his head...I will forever miss his friendship and love.

Jill Alder - July 16, 2014 at 02:18 PM

I am one of Curt's cousins. I want to thank you for sharing your memories of Curt and Lady and also about Curt's dog, Sophie. It warms my heart to think of Curt and Sophie seeing each other again. Of course, when we were growing up, his family always had dogs and I imagine he was greeted by a whole pack of tail-wagging pups!

Thank you Molly...it is a comfort to me as well thinking of Curt reunited with Sophie and all the other dogs that he loved over the years.

“ How well we remember Curt. Being right across the river from you on Hooks Mill, he would often visit and chat. Of course he came see our daughter Dana, but was very friendly to us as well. I don't think he was too thrilled when Pete backed into his car on the way for a pizza!

Pete and I share your sadness even though we can't lighten this sad news enough. Praying for the entire family. Whatta guy he was in so many good ways.

“ Curt graduated a year after me, but I remember him well from school... especially from Lincoln Elementary School. He was a spunky boy with big, sparkly brown eyes, an adorable moptop of silky dark hair, a wide happy smile and an infectious spirit. I remember how he used to want to hang around the older boys and liked to playfully tease all of the girls. He was the kind of boy that enjoyed making others laugh. When I hear his name, memories flood back to a 4th grader on the playground who was everything a boy should be: fun, playful and enthusiastic. You have my sincerest condolences. I hope that your memories of Curt will bring you peace.
