

Curtis E. King

May 8, 1997 - June 23, 2025

TECUMSEH- Curtis Eugene King, age 28, died unexpectedly on Monday evening, June 23, 2025.

He was born on May 8, 1997, in Tecumseh, Michigan. Curtis was a devoted father to his daughter, McKenna Ann Null-King. He is also survived by his loving parents, Amy and Trent King; soulmate and mother of his daughter, Bailey Null; sister, Ashley King (Victor McDonough); favorite nephew, Troy; maternal grandparents, Mike and Deborah Walters, and many extended family and friends.

Curtis was known for his big heart, loyalty, passion for motorcycles, and his ability to light up every room with his smile. He lived boldly and loved deeply. Curtis worked as a union operator working for several utility companies until he decided to start his own business. He was talented in the field of diesel mechanics, operating King's Diesel Performance, LLC in Tecumseh, MI. Curtis had a zest for life and an energy that was always present, and he never hesitated to help someone in need. Curtis liked being outdoors, hunting, fishing, riding his motorcycle or literally making his mark as he drove his 6.0 diesel truck.

Family and friends were Curtis' greatest treasures. He was close to his family and always made time for spontaneous family gatherings. The last couple of years, Curtis was fortunate to have a new title, father. He loved his daughter and the times they spent together making memories.

“ So sorry for your loss, im praying for God's peace and strength to get you all through the days ahead. My name is Vince Gonzales, my parents (Jerry and Vangie) lived on Deleon Dr. My parents would always tell me that anytime Curtis seen them outside doing work he would always lend a helping hand or just do it himself, especially removing snow so they didn't have too. I did my best to help my.parents out, but sometimes Curtis would beat me to it lol. I didn't know him personally that well but I knew he had a big heart. My mom has since passed a few years ago, my dad is currently in the hospital and not doing well, and when he was told by his grandson Remington about Curtis' passing he was saddened and began sharing stories of how Curtis would always help them out. Keeping you all in our prayers!
