“ Well where do you start, when you've grown up with someone and have so many memories. Which I will cherish them all. Even though we didn't talk to much because of the busy lives we have, I will still miss the times we did visit with coffee and cookies, full of lots of laughs and memories. From here on out is going to be very different and difficult. Won't be able to just give you a call or a text. Go out for a meal, celebrate new grand babies, birthdays or weddings, just life in general. I will miss you and love till my dyeing day. Love your little sister Kris

“ Hello Uncle Dale, it's your niece Kimberly. Words cannot come close to how I'm feeling as the tears flow down my cheeks as I leave you this message. 😭

I personally THANK-YOU and Aunt Pam for teaching me as a child to have fun, laugh, to get outside in nature and that family is everything. Thanks for having us each summer as kids so we could learn to fly kites, take nature walks, along with going swimming at the neighbors' house...seems like I got stung by a queen bee most of the time.

Thank-You both for taking Tanya and I to the Hillsdale County Fair and winning us slime and silly putty..oh the many joys and simple child entertainment!!

You taught me how to talk like Donald Duck which made us kids laugh. As I babysat for kids when I was older, this silly trick got babies and kids to stop crying, including your kids :) Who can forget about the fake burps...that trick came in handy in high school..lol.

Thank-You for your service in the U.S. Navy 🇺🇸🇺🇸... we will always remember our military families.

You will never be forgotten. I pray for peace and comfort to you and your family. From my family to yours, our most heartfelt condolences and prayers of strength during this time of loss.

All my love and memories from your favorite niece..Kimberly, aka Kimba
