“ *Dear Darlene,  
My sister, my friend, my prayer partner. I will always love you, never forget you and all the wonderful times we had together. We traveled, we laughed, we ATE, we prayed, we ministered, and we cried together for 33 years. I can't wait to see you in Heaven, where there will be no more pain, no sorrow, only Jesus and our loved ones and we can worship together again, and celebrate Jesus! My friend I will see you later...*

“ *I have known Mom since I was 13. I remember the first time I meet her and Dad. Brian and I was at church and we walked up to these two adorable people and Brian said " Mom, Dad this is Donna" , I truly did not know what to expect since the first thing that Mom did was to reach out and give me a great big ole' hug! It was the greatest most sweetest hug that anyone had given me in a long time. She made me feel like I was part of the family from that minute on. Mom, you will be greatly missed by all. You are the sweetest woman I have ever had to pleasure of knowing. I love you and I will miss you.  
I am sending a big hug all the way to heaven to you. Love you  
Donna*
