“ *To the Carol, Keith and Bruce families, Please accept my sympathy at the loss of your father. I haven't seen any of you for years since moving away from Michigan. Your mother, Donna, and father, Dean were our cousins, through Stella (Porter) Wilt. Remember the wonderful memories you all shared with your father. My mother Katharine, is now 91 and in assisted living with Alzheimer's Disease here in Arizona. She is still able to share a little of herself with us. How lucky we all are to have shared in our parents lives over the years. You will all be in my thoughts and prayers. Joan (Walters) Reedy*
