“ *When I heard that Deb had passed, I was so sad. Deb worked for Ron Eaton years back as an auditor. I was the Business Manager at Dundee Schools and Deb and I worked day and night to get our audit completed. At the time, our payroll clerk left the school for a better job and we were using temporary payroll people from other schools. Deb helped us through a tough time. I remember when the audit was finally done, I hugged her and thanked her so much for her patience. (We both cried). I loved having Deb come into my office during our audit time. Her calmness eased my nervousness and we just seemed to connect. We talked about our families and she was so happy to brag about her husband and kids. She was a great person and will be missed.*

“ I cannot express how sad i was to hear of Debs passing. I was in tears before i even read the entire obit. I did not know Deb as well as others did...but i love Bruce like a brother and by extension Deb as well. She was always sweet and oh so polite.

I hope the boys are doing ok and you will always be in my thoughts and my heart. You were both a huge part of my youth and the times we had on and off the softball field will be forever etched in my mind. You were blessed to have such a wonderful woman for so many years.

I love you all. Ken Davis.

“ Debbie was one of a kind. Brian, when you and Kelly were starting school at Lincoln she was so welcoming and kind to me. I will never forget her smile and genuine personality. Our hearts go out to you and your family. She loved you all so. Take heart that this beautiful soul is feasting in Heaven. God bless all of you!

“ I will miss Deb dearly. She has been my boss for the past few years. We shared a lot of laughs and even a few tears here and there. We are both Cancers and crabby at times. But, we seemed to understand each other pretty well. She called the chair in my office my "therapy chair". Seems several times through our day she would walk past my office and find someone new in my 'therapy chair'. She would come sit with me when she had a few minutes and would say it was time for her 'therapy'..LOL I am going to miss her sitting in my "therapy chair"

“ How sad I have been since hearing of Debbie's passing. I have known Debbie since we were 15. We used to hang out with the same crowd at the roller skating rink. I feel like I grew up with Debbie and Bruce. Then after high school, we hung out yet again with the same gang at the softball fields. I will never forget those days. If you knew Debbie, one thing you will never forget is her winning smile and what a kind person she genuinely was. Matt and my daughter, Andi, went to the same babysitter when they were babies and they also graduated together. Bruce and Debbie used to bring Matt and Brian to the roller skating rink when Bruce and I worked there together. Debbie always had her smile on. You have touched my heart forever. I will miss seeing your gorgeous face. I hope that Bruce, Matt and Brian can find some peace with this later. Our loss is heaven's gain. My thought is that heaven must have needed one more rose and this rose, Debbie, was picked last weekend. RIP Debbie. You will be missed. Love you.

“ You were a part of my life for over 30 years. I have so many memories. I remember a party at my mom's where we danced to "We are family". I always considered you family. I remember us taking TJ, Chad and Matt to Cedar Point and they were wearing matching stripped overalls. We both enjoyed to shop. The last time I saw you was a few nights before I moved to Florida. You and Bruce took me to dinner to El Chaps. I will miss you my dear friend. There is nothing I would rather do that to give those three men in your life a big hug. Life will never be the same, but Thank you for the years you did give us. You will always have a place in my heart and I will see you again. Love you Deb!

“ I will always have great memories of Debbie. We worked together at Super-X for many years and had our first son's around the same time. All Debbie ever wanted to be was a Mom and she was one of the best I know. Brian and Matt were her pride and joy.

Debbie will always hold a place in my heart as the great mother, wife and person she was.

Love you Debbie..RIP

News of Deb's death shocked us of course, perhaps more so since it's been awhile since we had seen her. Working with Deb at Monroe County Community College was a pleasure. Her work ethic was unmatched. I stopped by her office as often as possible because you knew that her smile and good naturedness were waiting for you when you got there. For me, her smile was her legacy. After our sorrow fades away, I will smile every time I think of her. David E. Nixon, President Emeritus of Monroe County Community College.

“ I am so, so sorry to hear of Deb's passing!

Deb and I worked at MCCC together and would often see one another in the hall or the in the break room. It was always a pleasure to see Deb through the day. Sometimes I would simply go to her office just to say "Hi" and see how her day was going. Her spot-on, wry wit always made me laugh. She had a way of brightening my day!

Deb was a kind and gentle soul. She always had time to stop and say a few words to her fellow employees - even though her job was so time-consuming - she always put PEOPLE first! And even if she was having a particularly stressful day, she had a way of putting the situation in the best light possible! That was my favorite thing about Deb - her ability to remain gracious in every situation! She was tender but tough! A winning combination.

Deb and I had a special connection. My daughter and brother both graduated from Adrian College. My mom and my sister and brother's children all went to Summerfield High School. We were of the same generation. We both love clothes and on board meeting days, we often wore the same color jacket - we laughed about that! There are so many little things that were endearing about Deb - her funny faces, her sweet laugh, her generosity, but most of all, her love and appreciation of life and family.

Deb - we never got a chance to walk those five miles a day together here on earth, but maybe some day in Heaven. . .

May her soul rest in peace in the hands of the Lord.

“Debbie and Bruce and Tim and I began our journey together as new parents as our first born boys were a week apart and we met in Lamaze class. We lived on the same street and raised our children together as they were all best of friends. We share so many happy memories of Debbie throughout all these years. What stands out the most to us is her selflessness and her love of her family and friends. Her daycare was such a blessing to the many families she served, but Debbie realized she had more she could achieve in her lifetime. We were all so proud of her when she chose to pursue her college degree in accounting, as an untraditional student so to speak. One friend recalled her bringing her books to Matt's soccer games so she could keep up. Obviously, Debbie achieved great success in her working world! She put in many hours at her job, giving it her all, as she did to everything in her life. She was an amazing woman! Bruce, Matthew (as your mom loves to call you) , Brian, we are so sorry. We know the love she had for you and the joy you brought to her life, and she to yours. We care so much for you and will be there for you.

Love,

Sue, Tim, Emily, Chris and Andrea Allshouse
