I just talked to your Mother at our '50 1' Class Reunion. Our pasts always seemed to cross, and she was so upbeat and outgoing whenever I saw her. My deepest condolences to your family.

“ *Deb was a second mom and campfire mom to me. I can't even begin to recall all of the memorable times we shared. She taught me about makeup, boys, camping, family and so much more. She always had a place for me in her home when I spent time with my bestie. Rest in heaven Deb... You were so loved.*
